Officers Reports

✓ Chairman

Absent

✓ Treasurer

Absent. Subsequent to the meeting the following details were obtained:

Bank Balance		1228.09
Owed To	Kites, Outdoor Court Hire	66.24
	Kites, Junior Hall Hire	105.98
Owed By	Milton Rd School, Posts	105.00
	Norwich City, EA Cup	30.00

✓ Secretary

Sunday Junior's training at Netherhall has made of loss of £45.98

✓ Publicity and PR

Nothing to report.

Recent newspaper reports have covered the Oxford University match, CKA and National League matches and Junior matches. The BBC radio interview is available on tape if anyone is interested.

✓ Coaching

Simon has been looking into player clinics and level 1 coaching courses.

✓ Results Officer

The first yellow card was awarded last week.

Nick reminded the meeting that it is a league rule that players need to be registered with the BKA after five games. A list of league players for each club was handed out. Clubs are requested to register those players not registered and to fill in the missing numbers as soon as possible. No action will be taken on players currently not registered.

For league matches that are played as friendly matches, Nick will still require a results card

✓ Fixtures Officer

Two referee commitments were missed (City and CUKC/Phoenix) and one match failed to take place because the hall was unavailable.

✓ Development

Dave tried to get a single voice-mail box from NTL but NTL weren't helpful.

✓ Referee Officer

Gave out referee hand signals and rules bulletins. Andy reminded clubs of the refereeing exam and for them to ask around if anyone is interested in taking the exam.

Inter Area Matches

Mark to continue to liaise with Debbie on the arrangements for these.

National League Reserve Team

There are plenty of men who are interested but not enough women, so the team is will not be formed unless circumstances change.

Constitution

An EGM is required to approve the amendments that Dave has made. This needs 4 weeks notice and will be discussed at the next meeting.

Summer Tournament

The date for the tournament has been advertised on web sites and the BKA magazine. Other venues than the rugby ground are being considered. The rugby ground will be used as a last resort.

Division Two matches and Hall Fees

Phoenix raised the point that their third team played 10 home matches whilst Tigers played 5. The norm should be 7 or 8. It was proposed that Phoenix be paid for 2 home matches from CKA funds. This will have to wait to the next meeting for the chair and treasurer.

Subsequent to the meeting Tigers offered to fund two friendly matches instead. Phoenix will accept the offer.

Any other Business

Juniors

Cambridge City Juniors won against St Stephens (Twickenham). Their next match is against Invicata, Sat. March 10th, 3:00pm. The BKA have asked if we would be interested in two weeks of club-school link and hinted that there might be development grant available. Lea Mathews is to be congratulated on making the GB U16 team.

Cancellation of Matches

A proposal was presented to clarify the league rule on the cancellation of matches. Clubs should make absolutely sure that they check the provisional fixtures list and confirm that they agree to the fixtures. After this fixtures can only be changed for 'Korfball reason' (to be clarified later).

Sponsorship

Andy is looking into sponsorship for the CKA. This will cover the CKA, National League, EA Cup and tournaments.

End of Season Social

Dave suggested that the CKA organise a social event to mark the end of the season, possibly early May. Dave will look into this.
